ACTIONS

Each primary and secondary action shows one or more symbols. When you take an action, you must resolve all the symbols from left to right.

Take the active town marker and place a disc on the active town. This symbol appears in primary actions only.

Gain a coin.

Lose a coin. if you have no coins, lose two points.

Gain a renown token.

Remove a Viking control token from the board.

Place a disc in the church area.
Spend two coins per disc to place more.

Take a Viking raider from the battle area.
Spend two coins per token to take more.

Move a space up the marriage track.
Spend two coins per space to move more spaces. You cannot end on the same space as another disc. If the space is occupied, move down to next empty space.

You may spend five coins to control a town immediately connected by road to another town you control.

Gain the number of points shown.

Take control of any town.

Take control of any town in the indicated area.

UPKEEP PHASE

MARRIAGE STEP

1. Highest on track: take marriage card and move to the bottom of track.
2. All other players: gain reward listed on space on track.

BATTLE STEP

1. Viking raiders in battle area: player with fewest Viking raiders loses town to Vikings. Player with most Viking raiders chooses which town.
2. Remove all Viking raiders from battle area.
3. Most Viking raider tokens: gain one renown, score one point for each renown, and return all Viking raiders. Skip if tied.
4. Most Viking raider tokens after step 3: gain one point and return one Viking raider. All tied players gain this reward.

CHURCH STEP

1. Most discs in church area: place monastery, take active town marker, and retrieve all discs. Skip if tied.
2. Most discs in church area after step 1: gain one point and retrieve one disc. All tied players gain this reward.
3. Four or more discs in church area: place monastery and retrieve all discs.

CLAIM REGIONS STEP

1. Each face-down claim token: flip it face up if number of towns in that region meets threshold.
2. Each face-up claim token: give it to the player with the most towns in that region. If tied, token stays where it is.

Towns with monasteries count as two towns.

PRINCESS OF DENMARK

Arranging a marriage with the Princess of Denmark forges an alliance with the Vikings. Immediately choose one of the following:

MILITARY SUPPORT
Score Viking-controlled towns as your own during the Claim Regions Step and scoring at game end.

ESTABLISH TRADE
Score Viking-controlled towns as your own during the Region Scoring step at game end.

SPURN HER
Discard the Princess of Denmark card and gain four points.

END GAME SCORING

+ 1 point for most coins, no ties.
+ 1 point for active town marker.
+ 1 point per renown token.
+ points shown per claim token.
+ ½ points for face up claim tokens left on board.
+ Region scoring points (see table).

Tie breakers: 1. Most claim tokens.
2. Most marriage cards. 3. Shared victory.
